2 old '\bodegas\' in ruins located on a 4,093 m² plot, of which approximately 1,200 m² are urban, that is, a house can be built on that part of the plot. This plot is located just 3 km from Pinoso in a very quiet village.

As can be seen in the photos, the '\bodegas\' are in ruins, but the land they occupy, plus the urban area, can be used to build a large house, with all the supplies (drinking water, electricity and sewerage), as the village where there is located this property has all the necessary supplies.
